

ABDULLAH BIN HASSAN AL-ASIRI

Data Analyst | SQL • Excel • Business Data

Riyadh, Saudi Arabia • Saudi National • +966 592828120 • abdoassiri707@gmail.com • linkedin.com/in/abdullah-assiri-04a214325

PROFESSIONAL SUMMARY

Fresh graduate in Management Information Systems (MIS) with hands-on SQL skills and strong working knowledge of Microsoft Excel, gained through a focused, self-directed data analysis track (SQL, Excel, Power BI in progress). Comfortable writing SQL queries and working across MySQL, SQL Server (SSMS), and Oracle Database. Combines an analytical, detail-oriented mindset with prior customer-facing experience in cash handling and transaction accuracy. Based in Riyadh, available immediately for entry-level Data Analyst or Business/Data Support roles, on-site, hybrid, or remote.

SKILLS

Data Analysis & Databases: SQL, MySQL, SQL Server Management Studio (SSMS), Oracle Database, data querying, data cleaning

Spreadsheets: Microsoft Excel (formulas, lookups, pivot tables, data organization), Microsoft Word, Microsoft PowerPoint

Currently Building: Power BI (dashboards and data visualization — in progress)

Web Development: HTML, CSS, JavaScript, Tailwind CSS, Bootstrap

Professional Skills: Analytical Thinking, Problem Solving, Attention to Detail, Communication, Teamwork, Fast Learning

EDUCATION

Bachelor's Degree in Management Information Systems (MIS) | *Graduation: June 2026*

Higher Institute for Advanced Studies

PROJECTS

Student Housing Web Application | *First Place — Graduation Project, Programming Specialization*

- Collaborated on a web application connecting students and expatriates with safer housing options, reducing exposure to rental scams and unsafe listings.
- Awarded First Place among graduation projects in the Programming specialization.

Nuzul — Hotel Booking Platform (MVP) | *Personal Project*

- Built the MVP of a hotel booking platform for the Saudi market using Next.js, with a three-role structure (customer, hotel admin, super admin).
- Working on the platform's technical architecture and QA, incorporating real booking, ratings, and occupancy data as the product's core differentiator.

EXPERIENCE

Pharmacy Cashier | *Previous Experience*

- Managed point-of-sale (POS) cashiering and cash/electronic payment processing, maintaining a high standard of transaction accuracy.
- Handled customer service and daily reconciliation tasks requiring consistent attention to detail.

Restaurant Experience | *Previous Experience*

- Gained practical experience in fast-paced environments, order coordination, and teamwork under pressure.
